## Create your own adventure!

Grab your **1000 Hours Outside trackers**, your boots, and a good book and head outside to have your own adventure!

In January, VBDL began its 1000 Hours Outside

initiative, encouraging everyone to get outside and enjoy the great outdoors with programming, books, and even a new seed library program in March. This summer marks our halfway point, and we are still going strong!

Embrace the natural outdoors this summer by spending some quality time outside, either reading at the beach or in the garden, finding discounts through the [Michigan Activity Pass \(MAP\)](#) and going on a road trip, or exploring the preserves of SW Michigan through the [HOP \(Hike Our Preserves\)](#) program from the Southwest Michigan Land Conservancy.

So what are you waiting for? Adventure Begins at Your Library, so start there and explore!

## Director Dan is on the loose!

**Director Dan is going on an adventure this summer on VBDL's social media pages!**

This June through July, keep an eye out on VBDL Branches' [Facebook](#) pages to see if you can find Director Dan! If you find him, be sure to comment on the post to be a part of the game!

Who is Director Dan, you may ask? Well, he's the guy in charge of keeping VBDL as a whole working together. Libraries are run by many hardworking staff with many different roles and responsibilities, and library directors keep everyone working together towards the main goal of providing excellent materials and services!

So keep an eye out on the Facebook pages, and let us know if you spot him!
