Reports:
Molly Wunderlich reviewed the financial report as of May 31, 2017. There was little revenue received in May. In June the library received delinquent property taxes for the year. The library received approximately $25,000 less than budgeted from Covert Township, but a payment from the State of Michigan for personal property tax will make up some of the shortfall. Penal fines for June 2017 were up 23% over last year.

Mr. Wieber reviewed his written director’s report. He noted that the circulation statistics showed an increase of 24% for the month, and an increase of 13% for the year. Circulation at both Bloomingdale and Covert is significantly higher. The Summer Reading program is in full swing, and the number of participants and activities is showing an increase so far.

Mr. Wieber reported that the City of Gobles and Township of Pine Grove are not in a cooperative mood, and it will be difficult to create a joint building authority. An authority would be needed to pursue a USDA Rural Development loan for a new building. Mr. Wieber is investigating the possibility of leasing a storefront in the City of Gobles.
Stan’s Yard & Sport Shop has two empty store fronts in the building on M40 that could suffice as short term library space. Both locations would require renovation including bathroom facilities and HVAC upgrades, but would allow for more space and better visibility for the library.

Tony Clark from Clark Technical Services reported on recent and upcoming technology projects for the library. This year the library has purchased 15 new computers, replaced wireless access points at all locations, and coordinated the installation of projectors and sound systems at Webster Memorial Library and Antwerp Sunshine Branch Library.

**Investment Committee:**

It was moved to renew a certificate of deposit for 13 months at 1.29% interest, due July 29, 2018. Interested will be paid at maturity. (Motion: Cutting; Second: Rendell; Motion: Carried).

**Finance Committee:**

It was moved to receive and file the minutes of the June 20, 2017 Finance Committee meeting. (Motion: Rendell; Second: Cutting; Motion: Carried). The overall taxable value for our district is up 2.7% over 2016. The board will review the preliminary budget at the July 2017 board meeting, and the budget hearing and millage resolution will take place in August.

**Unfinished Business:**

The New Director Search Committee met on June 27, 2017 to discuss the proposed job description, job posting, and advertising budget for the director search.
