

## New at VBDL!

### Laptops available for in-library use!

Maybe you have a business meeting and forgot your laptop. Or perhaps there's a group project and you need an extra computer so everyone can work together. Or you have a virtual interview and your home computer doesn't have a camera.

Whatever your reason, VBDL now has laptops available to check out for in-library use!

Laptops are available to check out with a VBDL card, and cannot leave the library.

### Hotspots and WiFi

#### Did you know that you can check out a hotspot?

VBDL patrons can check out a hotspot to use at home! Hotspots can be checked out for two weeks at a time, giving you access to the internet almost anywhere! Check your local branch for availability and for more information.

#### Free WiFi too!

In 2020, VBDL expanded our WiFi to cover area outside of our buildings so the public may use VBDL's WiFi 24/7! VBDL is here to get you connected!
